A DECADE OF ACQUISITIONS AND INVESTMENTS

Koch Companies

FLINT HILLS RESOURCES From our refineries and facilities, and through our 4,000 miles of pipelines, come the fuels and chemical building blocks critical to powering and empowering modern life.

GEORGIA-PACIFIC Our paper products, such as bath tissue and paper towels, are at-home essentials. And our sturdy building materials make homes and commercial buildings possible. Brands include Quilted Northern®, Angel Soft®, Brawny® and Dixie®.

GUARDIAN INDUSTRIES We manufacture high-performance glass products for homes and buildings and high-quality plastic components for the automotive and commercial truck industries.

INFOR For customers in specific markets, we build complete industry suites in the cloud using technology that puts the user experience first, leverages data science and integrates into existing systems.

INVISTA From air bags to engine parts to appliances to carpet and clothing, our ingredients for nylon 6,6 and polypropylene value chains make life better in countless ways. Some of our brands include CORDURA® and ANTRON®.

KBX We provide the global transportation, logistics and cutting-edge technology solutions that help our customers succeed in delivering life's essential goods to people and industry all over the world.

KOCH AG & ENERGY SOLUTIONS Our innovative fertilizer and ingredient products help global agricultural customers boost crop yields, supply methanol used to manufacture countless everyday products and give energy customers the power to thrive.

KOCH ENGINEERED SOLUTIONS Our solutions in mass and heat transfer, combustion and emissions controls, filtration, separation, materials applications, automation and actuation come with deep expertise in the industrial domain.

KOCH INVESTMENTS GROUP We seek out investments and acquisitions that improve Koch capabilities, drive mutual benefit for all parties and contribute to society by creating true, long-term value.

KOCH MINERALS & TRADING We specialize in the innovative procurement, exchange and delivery of essential commodities that empower daily life, and the development of investments into successful ventures and new, transformative platforms.

MOLEX Our full range of connectivity products, services and solutions empower the data center, communications, healthcare, industrial, transportation and consumer electronics markets to transform the future and improve lives.
