

Koch's U.S. Environmental Protection Agency Honors

Koch has a long history of mutually beneficial collaborations with the EPA - from awards and recognition, to programs aimed at enhancing safety and reducing emissions at operating facilities.

3 EPA ENERGY STAR® **PARTNER OF THE YEAR AWARDS** **FOR ENERGY MANAGEMENT** 2017, 2021 and 2022

7 CERTIFIED PLANTS

Koch companies in refining, fertilizer, pulp and flat glass have all met the strict EPA requirements to earn ENERGY STAR® certification for plants. The energy performance of industrial facilities is compared nationally to similar operations. Only the top 25% become certified.

7 TOP PROJECTS

Business initiatives that demonstrate leadership and commitment to reducing emissions and meeting EPA energy design criteria are eligible for ENERGY STAR® recognition.

7 CHALLENGE FOR INDUSTRY ACHIEVERS

ENERGY STAR® Challenge for Industry is a global initiative for industrial sites to reduce their energy intensity by 10% within five years.

4 CERTIFIED BUILDINGS

ENERGY STAR® certification for buildings recognizes locations that rank in the top 25% of energy performance standards nationwide compared to similar facilities. Annual scores are verified by a third party.

CERTIFIED PLANTS
