Koch Companies

FLINT HILLS RESOURCES From our refineries and facilities, and through our 4,000 miles of pipelines, come the fuels and chemical building blocks critical to powering modern life.

GEORGIA-PACIFIC Our paper products, such as bath tissue and paper towels, are at-home essentials. And our sturdy building materials make homes and commercial buildings possible. Brands include Quilted Northern®, Angel Soft®, Brawny® and Dixie®.

GUARDIAN INDUSTRIES We manufacture high-performance glass products for homes and buildings and high-value coatings on plastic components for the automotive and commercial truck industries.

INFOR For customers in specific markets, we build complete industry suites in the cloud using technology that puts the user experience first, leverages data science and integrates into existing systems.

INVISTA From airbags and automotive parts to medical supplies and food packaging, our ingredients in the nylon 6,6 and polypropylene value chains make life better in countless ways.

KBX LOGISTICS We provide technology-driven managed freight and transportation asset management solutions that create a competitive advantage for our customers to deliver life's essential goods all over the world.

KOCH AG & ENERGY SOLUTIONS We produce innovative fertilizer and nutrient enhancement products to help growers boost crop yields, supply methanol used to manufacture countless everyday products and give energy customers the power to thrive.

KOCH ENGINEERED SOLUTIONS Our solutions in mass and heat transfer, combustion and emissions controls, materials applications, full engineering, procurement and construction, and utility-scale solar come with deep expertise in the industrial value chains.

KOCH INVESTMENT COMPANIES We seek out investments and acquisitions that improve Koch capabilities, drive mutual benefit for all parties and contribute to society by creating true, long-term value. Koch's investment companies are comprised of four entities: Koch Disruptive Technologies, Koch Equity Development, Koch Investment Management and Koch Real Estate Investments.

KOCH MINERALS & TRADING We specialize in the innovative procurement, exchange and delivery of essential commodities that empower daily life, and the development of investments into successful ventures and new, transformative platforms.

MOLEX Our comprehensive portfolio of connectivity solutions empower automotive, data center, industrial, health care and consumer electronics industries to transform the future and improve lives.
